Facilities Associate Vacancy

□□We're looking for you! Our group of companies is currently recruiting for the positions of Facilities Associate and Junior Property Associate. Please see all requirements listed below. Unsuitable applications will not be acknowledged.

[\[View file #2809 online\]](#)

CAREER OPPORTUNITY

FACILITIES ASSOCIATE

One of our Group Companies is seeking to recruit a suitably qualified candidate to join our Team as a Facilities Associate. The successful candidate will be required to give support to the Facilities Team with the general maintenance and up keeping of multiple properties, vehicles and equipment, including the procurement of spares and replacements. The successful candidate will also be responsible for assisting with the security operations, health and safety issues and construction projects.

Job Summary:

- Assist with the planning, directing and coordinating activities concerned with the operation, maintenance and construction of buildings and grounds;
- Assist with the planning and implementation of a preventative maintenance schedule for all properties, equipment, fleet, etc;
- Assist with the planning and collaborating with other senior personnel, of matters such as design and development of office, warehouse and other facilities, formulation of operating rules, regulations and procedures;
- Assist with formulating procedures for crisis management, accidents, fires or other emergencies;
- Inspect plant facilities/review inspection reports and submit timely recommendations for repairs, replacement or improvements required;
- Assist with the development of work programs, assignment of workers to duties, such as maintenance, repairs, renovation of facilities, buildings, and equipment to minimize interruption and improve efficiency;
- Compiling and presentation of reports for all projects in accordance with departmental requirements;
- Assists with the preparation of construction specifications/plans, liaise with engineering consultants, assemble and analyse bids, submit bids and recommendations to superiors for action;
- Assist with the managing of all Third Party Contractors to ensure quality of service and optimum performance of equipment;
- Assists with the preparation of budgets with a view to maximizing cost effectiveness and productivity;

Key Accountabilities:

- Efficient management of all preventative maintenance programs;
- Timely response to all tenant queries;
- Efficient management and monitoring of service providers;
- Proactive planning of all routine maintenance in accordance with the operations of the properties;
- Timely completion of all checklist to serve as an information tool for proactive maintenance of properties;
- Collaboration with other departments with the company to ensure an efficient delivery of service to all stakeholders.

Required Knowledge & Skills:

- Knowledge of CMMS;
- Knowledge Facilities Management Principles;
- Knowledge of Local Construction and Statutory Regulations;

Qualification & Experience:

- A Diploma or Associate Degree in Facilities Management or Project Management
- At least three (3) years' experience in Facilities Management
