WE'RE HIRING!

POSITION AVAILABLE

COMMERCIAL TECHNICIAN

Position Overview

This position will support the Commercial Systems & Portable Instrumentation section of the Department to efficiently provide service to effectively satisfy the requirements of the Department's customers by adhering to the Company's work practices, HSSE standards and guidelines.

RESPONSIBILITIES

- Provide support, efficiently service, and repair all equipment supported by IRP Fire & Safety Limited and/or other vendors and suppliers' equipment assigned. This includes but is not limited to, Fire Detection, Gas Detection, and Fire Suppression systems.
- Partake in FAT, SAT, and commissioning of systems.
- Partake in the service and repair of all equipment designated to be serviced by the Commercial Systems team.
- Assist with and conduct the installation of components supplied and/or supported by IRP Fire & Safety Limited's Engineering & Projects Department.
- Responsible for preparing bill of quantities for parts/components pertaining to repairs to all Commercial Systems equipment.
- Be able to carry out work for industrial and commercial clients as required.
- Attend all monthly staff meetings and other communication sessions as required.
- Be available for unscheduled work that is outside of the norm as well as on call work that may arise from time to time.
- Assist with scope of works development for job(s) including spares, tools, and consumables required for repairs or service.
- Sign off all scope of works documents for jobs assigned to confirm understanding of client requirements.
- Ensure Quality Control Documents/Checklists for equipment (of both new and repaired equipment) are completed prior to leaving IRP Fire & Safety Limited. Ensure that documents are completed and reviewed for proper filing and documentation control.
- Be responsible for timely follow ups on documentation and repairs assigned.
- Submit reports daily, hard and/or soft copy via IRP's Asset Management software i.e., reports/evaluations to Senior Technician/Team Lead for approval with other related documents on service-related work and site visits.
- Any other related duties as required by the job function.

REQUIRED EDUCATION:

- Electrical and Electronic Engineering Technician Diploam {EET Dip.} or Mechanical Engineering Technician Diploma {MET Dip.} or Equivalent course of study and/or expertise from an accredited institution.
- Trained in Microsoft Office including Word, Excel, Power Point.
- Trained in Technical Report Writing.

REQUIRED EXPERIENCE:

- 2-3 years overall work experience.
- Minimum 1 year of experience in oil & gas sector.
- Ability to multitask and prioritise tasks. Excellent time management skills.
- Experience working in a fast pace, dynamic environment.
- Team-oriented with good interpersonal skills.
- Communicates well accross all levels.

WE'RE HIRING!

POSITION AVAILABLE

ADMINISTRATIVE ASSISTANT

Position Overview

This position will be responsible for warmly welcoming trainees/other personnel to the Training Centre via telephone and/or in person and efficiently receiving and dispatching incoming and outgoing calls in a professional manner. The position will also assist the Training personnel with the preparation for upcoming training sessions and will perform Pre and Post administrative duties.

RESPONSIBILITIES

- Welcome trainees and visitors, log their arrival and departure, ensure the relevant Training personnel are notified.
- Receive and resolve customer queries.
- Administer and process all Petty Cash transactions; maintain the Petty Cash float. Prepare Petty cash reimbursement claims on a weekly basis.
- Receive, issue receipts, and deposit all cheques collected from external clients. Prepare vouchers related to various revenues and expenses.
- Ensure all petty cash costs for trainings are captured on Sage prior to invoicing by preparing adjustment forms with the necessary supporting documents.
- Communicate with Customer Service Representatives (CSRs) to generate quotations and invoices for customers. Provide all supporting documents to CSRs for the invoicing process and follow up.
- Perform general clerical duties to include, but not limited to, training record keeping, copying, mailing, scanning, and filing.
- Generate certificates and wallet cards where necessary by taking photos of the attendees.
- Coordinate breakfast and lunches for trainees or as required.
- Responsible for stationery and grocery administration; including ordering/receiving for the Training Centre.
- Assist with tender preparation.
- Process the invoices related to Training Center purchase orders for Logistics to close the order and Accounts to issue payment.
- Any other related duties as required by the job function.

REQUIRED EDUCATION:

- Five (5) CXC O'Levels
- Certificate/Diploma in Business Administration
- Pursuing a BA in General Administration or another related field will be an asset
- Proficiency in Microsoft Office Suite (Word, Excel, PowerPoint, and Outlook)

REQUIRED EXPERIENCE:

- Minimum of 1-2 years' previous experience providing administrative support.
- Training in customer service.
- Strong written and communication skills.
- Excellent time management skills and the ability to prioritize work.
- Working knowledge of general office and clerical procedures.
