A yellow recruitment poster for TruValu. The top left features the text 'We're looking for you.' in large black font, with 'you.' circled in white. To the right is the TruValu logo with a shopping cart icon and the tagline 'SHOP. SAVE. SMILE.'. Below the logo, it lists store locations: 'Trincity, Valpark, Long Circular Mall, Diamond Vale' and a link to 'See map directions' with a right-pointing arrow icon. On the left side, there are three sections: 'The Role: Junior Store Positions Only' with a list of roles (Cashiers, Wrappers, Lane Replenishers, Back store Attendants, Perishable Attendants); 'Weekly walk-in interviews, every Thursday and Friday at the ODC'; and 'REQUIREMENTS' which includes 'Academic Certificates', 'Birth Certificate', 'Two Recommendation Letters', 'Passport Sized Photo', 'Police Certificate of Good Character or Receipt (no older than 3 months)', and 'Consent Letter from Parents (for applicants under the age of 18)'. The requirements list is circled in white. At the bottom left, a megaphone icon is next to the text 'Please direct all questions to: truvaluhr@gmail.com'. Below that, it says 'FOLLOW STORE UPDATES ON OUR PAGES:' followed by Facebook and Instagram icons and their respective URLs. On the right side, there is an illustration of a smiling woman in a green apron holding a shopping basket and a mesh bag, with a shopping cart icon on her apron. The background is yellow with several yellow starburst graphics.

We're looking for you.

The Job
This position is responsible for planning, designing, developing, and assisting in the implementation of the Institution's monitoring and evaluation system which includes collecting raw data as well as the analysis and evaluation of data relevant to the assessment of the Programmes executed by YTEPP Limited and the performance of the Institution. The incumbent works closely with the Manager Research to assess the effectiveness of the Institution. The incumbent liaises with internal and external partners in the completion of strategic or national oriented research projects.

Regular Duties:

- Organises and executes research projects for submission to Manager, Research for programme performance management decision-making.
- Plans, organises and conducts in depth qualitative and quantitative research on the performance of the programmes and the Institution as a whole.
- Analyses data to evaluate and report on the achievements of the Institution and its programmes and their impact in relation to their strategic objectives.
- Monitors and reports on institutional performance indicators and contributes to the maintenance of an effective institutional performance management system.
- Conduct training as required in relation to monitoring and evaluation to ensure compliance.
- Monitor M & E research activities in the field to ensure project success.
- Prepares and presents comprehensive analytical and evaluative reports and policy papers to key internal and external stakeholders.
- Document processes and lessons learned in the implementation of the M & E system to facilitate strategic success, continuous improvement, and quality assurance.
- Analyses and evaluates the effectiveness of social and economic programmes and deduce the impact of these on the Institution's training programmes and national developmental objectives.
- Liaises and collaborates with other professionals engaged in research.
- Supervises staff, allocates, monitors and reviews work to ensure accuracy and timeliness, provides feedback on performance.

Qualifications

- Master's Degree in Behavioural Science/Education
- Or a first degree in the field of Behavioural Sciences/Education and a post graduate diploma in education or related field
- Project Management Certification.

Experience

- Five (05) years' experience in a related field
- Two (02) years at a supervisory level, in a research oriented environment; monitoring and evaluation experience is a definite asset

Knowledge

- Results-based management approaches in education
- Academic and policy writing.
- Computer Proficiency with experience in using statistical software
- Research methodology, its principles and techniques.
- Intermediate to advance knowledge of social science statistical analysis software.
- Microsoft Office 365.

Skills

- Leadership and team building.
- Public Speaking/Presentation.
- Effective Communication.
- Report writing principles and techniques.
- Office software applications as well as research preparation and presentation, and performance monitoring options.
- Planning and organizing.
- Excellence in Customer Service.
- Conflict Resolution.
- Analytical and Decision-Making.

Ability

- Think critically and use deductive and inductive reasoning while paying attention to detail.
- Demonstrate strong work ethic.
- Be flexible.
- Prepare comprehensive, complex reports.
- Maintain confidentiality in the performance of duties.
- Troubleshoot and solve problems.
- Develop and maintain harmonious working relationships with fellow employees, representatives of other government organizations and members of the public.
