Vacancy

Vocational Skills Tutor GRAPHIC DESIGN

YTEPP Limited is a training organisation with a focus on Technical Vocational Education and Training throughout Trinidad and Tobago. The organisation's thrust is toward meeting the labour market demands of industry.

The Youth Training and Employment Partnership Programme (YTEPP) Limited is inviting suitably qualified candidates for the position :-

The Job

This position delivers the Vocational Skills Curriculum via a blended approach (online and at various centres or sites) to ensure that trainees acquire the essential levels of occupational competency for NEC and/or CVQ Certification. The incumbent will be required to participate in staff professional workshops outside normal working hours.

Essential Functions and Basic Duties

- Prepares and delivers the Instructional Plans to trainees in accordance with requirements of the Unit.
- Interprets and implements the Curriculum and Evaluation Procedures and instruments.
- Interacts closely with the Technical Supervisors and Centre Managers and makes recommendations for the improvements in the implementation of skills courses.
- Utilizes appropriate teaching methods and aids for the enhancement in the quality of the delivery of courses.
- Makes recommendations on the facilities, materials and supplies needed for the execution of functions and ensures efficient use of same.
- Demonstrates proficiency in practical skills and related knowledge, online, in both the workshop and classroom.

Education

- National Craftsman Diploma or Tradesman Certificate/Diploma in the relevant field from a recognized training institution
- Relevant Technical/Vocational qualification in the skill area (at least one (1) level above the level to be taught).
- Caribbean Vocational Qualification Assessor's Certificate Level 4 will be an asset.
- Bachelor's Degree in the relevant field an asset
- Training as evidenced by an Assessor's certificate

(Caribbean Vocational Qualification) an asset

- Five (5) O' Levels (General Proficiency) including English Language and Mathematics.
- Certificate in Facilitating Online Courses/Online Delivery for Trainers or an equivalent will be an asset.

Years of Experience

- Three (3) years' practical experience in the field.
- Prior teaching and industry experience will be an asset

Knowledge, Skills and Abilities

- The dynamics of adult learning.
- Competency Based Education Training (CBET) approach to learning.
- Current vocational education practices and trends.
- Flexible Blended Learning
- Learning Management Systems (e.g. Moodle)
- Health and Safety Requirements in a technical vocational environment in accordance to OSHA standards.
- Skills in effective presentation and delivery of instructional techniques
- Classroom Management
- Conflict Management & Negotiation
- Effective Communication (oral and written)
- Customer Service
- Work with persons of varying age and educational levels
- Prioritize and multi-task.
